

CONFERENCE AND MEETING AREAS IN CARLSBAD PLAZA

*The Best Address for Meeting, Conference
& Private Events in Karlovy Vary*

Incentive and congress-type events, grand dinners or a birthday celebration, all this kind of events will be arranged for our guests in the meeting areas of the hotel. Provided in those facilities are the most advanced technical settings and an environment reflecting our hotel's luxury standards.

Meeting lounges

For events of smaller scale we suggest our business lounges: the Churchill Lounge (36 seats) the Masaryk Lounge (30 seats) and the Kennedy Lounge (24 seats). These Lounges can be interconnected. In addition, the adjacent night bar can be connected to the Lounges. This area is suitable for conferences, break-out sessions and parties.

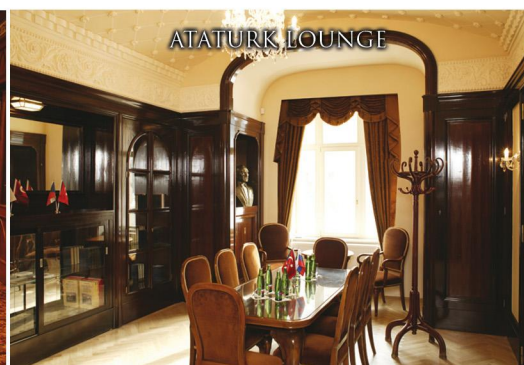

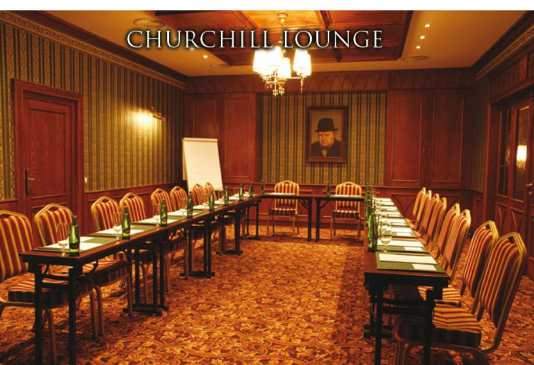

As a basic equipment we propose projection, the high-speed internet connection, wi-fi, catering and last but not least, a full cleaning service.

Atatürk lounge

This Lounge is built in memory of the legendary leader Mustafa Kemal Atatürk. With its capacity of 10 seats it is an ideal place for small business meetings where guests would like to leave a good impression on business partners. Despite its historical design, all equipments attributed to a meeting lounge are available.
